

COMMERCIAL MICROWAVE TECHNOLOGY  
**CERTIFICATE OF CONFORMANCE**  
AN ISO-9001 COMPANY - CERTIFICATE # FM512714

CMT certifies that all products have been manufactured in accordance with applicable CMT Quality Assurance Procedures, Purchase Order requirements, Specifications, and/or Customer supplied drawings.

This product is designed and manufactured in accordance with the requirements and allowable exemptions of European Directive 2002/96/EC, Annex, Exemption #6: "Lead as an alloying element in steel containing up to 0.35% lead by weight, aluminum containing up to 0.4% lead by weight, and as a copper alloy containing up to 4% lead by weight." Some common leaded alloys like Brass or 12L14 alloy may be present in CMT products. All leaded alloys used in CMT products conform to the limits set forth in this exemption.

All products are manufactured using lead-free solder. Product packaging is compliant with ISPM-15. For more information please visit our website, [www.cmtfilters.com](http://www.cmtfilters.com), and select the "QUALITY" tab. All products are manufactured in our ISO-9001:2000 facility. For more information, please e-mail [qualityassurance@cmtfilters.com](mailto:qualityassurance@cmtfilters.com).

**WARRANTY:** CMT warrants our products to be free from defects in workmanship and materials for a period of 18 months from the date of manufacture. Defective products will be re-built or re-worked to original specifications. Failure Analysis/Corrective Action is of prime concern to CMT, and a copy of the report will be sent with all re-built or re-worked units, or sent to the buyer in the event the units are not to be replaced.

Product damage resulting from customer/carrier handling or misuse voids this warranty.
